

Runcorn Junior Regatta

Saturday July 2nd 2011 on the River Weaver at Runcorn in Cheshire

Sponsored by The Ball Cup and the generosity of The Henley Stewards Charitable Trust

Run using a round-robin format over a straight 300m course

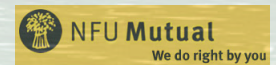

Held under British Rowing's rules of racing & RowSafe

Details

Races will be held for single, double & quad sculls for J12, J13, J14 & J15 for boys and girls.

All crews in a class will race all of the other crews and gold, silver & bronze medals will be awarded.

A Victor Ludorum will be presented to the most successful Club. The Victor Ludorum is sponsored by NFU Mutual

Entries

1. The event is in a round-robin format, so each crew will race every other crew in a particular class.

All events will be run in this format. Therefore all crews for a particular class will be on the water at once.

So, if you enter 3 J12 scullers for example, they will each need their own boat and blades.

2. All competitors will need to be registered members of British Rowing.

For Juniors under the age of 14, membership is free in the 1st year.

3. Entries must be via BROE. The closing date is 2000hrs on Saturday 25th June 2011.

No late entries will be accepted. Payment can be made on BROE or on the day.

Note

Owing to the event format, entries will be limited to 120 on a strictly first-come, first-served basis.
